Ebook Details:

Review: As a teacher of an adult Sunday class, I occasionally have been asked questions regarding the trustworthiness of Bible, and while I have been able to answer them, I now will also refer people to this book. I bought this to see what it says, and I found the book to be well written with logical explanations of the basis to trust the Bible. This is a...

Description: The Bible stands at the heart of the Christian faith. But this leads to an inescapable question: why should we trust the Bible? Written to help non-Christians, longtime Christians, and everyone in between better understand why God's Word is reliable, this short book explores the historical and theological arguments that have helped lead millions of...
